NeuroFutures Conference 2016 Sponsorship Opportunities

The third annual NeuroFutures Conference will be held June 19-21, 2016, at the Allen Institute headquarters in Seattle, Wash. Hosted by the Allen Institute for Brain Science, with partners OHSU Brain Institute, University of Washington, and University of British Columbia, this annual conference is designed to explore the advances of neurotechnology innovations with top thought leaders in research, engineering, industry and clinical domains.

This year's conference will focus on neuronal circuits, with keynote speakers, panel discussions, targeted topic sessions and poster sessions. View more information at neurofutures.us.

For more information about sponsoring NeuroFutures2016 contact events@alleninstitute.org.
