Questions? Contact education@alleninstitute.org

Add your design!

Designs should be inspired by the theme: Celebrating Team Science: the power of collaboration and sharing in science, Please draw your design directly into this circle or copy and paste your student-created digital graphic in this space. You may also upload your design directly to the online entry form. Please remember to answer the design question!

ACCOMPANYING QUESTION:

The answer may be handwritten or typed. Responses may be transcribed for younger participants.

Why is sharing ideas in teams important in science?
